Alteration description

4. A description of the proposed alteration and, in the case of special school proposals, a description of the current special needs provision.

To create a specialist centre at The Orchard School for pupils with Speech Language & Communication Needs (SLCN).

This proposal will assist with the development of places for Key Stage 1 pupils with an Education Health Care Plan (EHCP) and that have Speech Language & Communication Needs (SLCN) in Surrey.

The Orchard School has been supporting 2 pupils in each year group in an environment mirroring a specialist centre. This proposal is for the school to have a permanent specialist centre to continue to meet the needs of pupils with Speech Language & Communication Needs (SLCN) in the local area.

School capacity

(a) details of the current capacity of the school and, where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

There will be 6 new planned places (2 places in each year group across the infant school) for pupils that have Speech Language & Communication Needs (SLCN) in Surrey.

The Orchard School has been supporting 2 pupils in each year group in an environment mirroring a specialist centre, agreed on a yearly basis. This proposal now creates 6 permanent planned places at the school.

This is in addition to the mainstream capacity of 270 pupils across Yr R, Year 1 and Year 2.

(b) details of the current number of pupils admitted to the school in each relevant age group, and where this number is to change, the proposed number of pupils to be

admitted in each relevant age group in the first school year in which the proposals will have been implemented;

The current Published Admission Number (PAN) for The Orchard Primary School is 90 in reception. Under this proposal, the PAN would remain the same and there would be additional places at the specialist centre.

It is proposed that the specialist centre would have planned places of 2 per year group across the infant school.

- (c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

It is proposed the centre will open in September 2021 with 6 places available from an intake of 2 in reception and pupils currently placed in Yr R and Yr 1 at the temporary centre moving up into Yr 1 and Yr 2.

- (d) where the number of pupils in any relevant age group is lower than the indicated admission number for that relevant age group a statement to this effect and details of the indicated admission number in question.

- (2) a statement of the number of pupils at the school at the time of the publication of the proposals.

As at the October 2020 Census, the following number of pupils were on roll at The Orchard School

	Yr R	Yr 1	Yr 2
The Orchard School	90	90	88
