

Dear Parents,

Thankyou for all your ongoing support. We are enjoying working with your children every day.

We continue to have one class of up to 13 children each day led by a teacher and supported by five Learning Support Assistants. All the staff are attending on a rota basis.

Children with complex needs are being supported through a routine and timetable as near as possible to their normal provision.

All the children have a daily routine including PE, maths, writing, reading, phonics and creative activities.

Please could you email admin@orchard,surrey.sch.uk as soon as possible to inform us whether you require your child to attend school on **Friday 8th May**, the designated Bank Holiday so that I can organise staffing accordingly.

Many Thanks,

With Best Wishes

Carol Rusby
