

Dear Parents,

Thankyou all for your continuing support.

As you will have seen in my newsletter the proposal is that we will bring our Reception children back to school from the 1st June(subject to the Covid-19 rate).

The class for year one and year two children whose parents are keyworkers or who have additional needs will continue as a 7th small class in June and will be based in Beech class in the year two block with Miss McCarthy, Mrs Shaw or Mrs Turi teaching. Mrs Lavall and Mrs Sleath will share a full time LSA role. For our children who receive additional support I am able to make a positive change. As all our staff will be back to manage the seven small classes these children will have their known 1:1 support staff consistently through the week.

Finally please could you email me at admin@orchard.surrey.sch.uk to inform me about your requirement for the half term break. We have not received Dfe guidelines on this yet but I wanted to prepare for this in good time.

Thankyou again for all your support.

Have a good weekend,

With best wishes

Carol Rusby
