

Dear Parents and Carers,

First of all I would like to thank you for all the support you have given to us as a school. The staff and I really appreciate it. Thank you!

**What we are doing :-**

1. As some staff are needing to self-isolate we have been able to put classes together due to reducing pupil numbers.
2. We have a bank of DBS cleared regular parent helper volunteers who are able to support with admin tasks, lunch time support and classroom support. Thank you very much!
3. The teaching staff are working very hard to create home packs and online lessons if we are asked to close the school or have to due to low numbers of staff.  
If your child is already at home please use the online materials and refer to our classes section on our website.
4. The packs and online lessons will only be available in the eventuality of closing. For families who are already self-isolating these materials will be ready to be collected on the last day we are open.  
We will of course, allow packs to be taken for more than one family where this is necessary so do arrange with friends if you are unable to leave the house.

For families who have forgotten or mislaid log in details we will send this information to the whole year group as soon as we can.

With best wishes,

Yours sincerely,

Mrs Rusby
