

Dear Parents,

I hope you and the children remain well. It has really made a difference not having so much sunshine this week so the staff and I have made a video which we hope will be a lovely surprise for the children, this is available on the learning platform in each year group or to cut and paste the link below into your browser to gain access. Thankyou to all the staff for contributing and to Mr Bond for putting it all together beautifully.

It has been wonderful to hear from so many of you and so many children with feedback on the stories we have been posting on the learning platform and with examples of what they have been doing at home. Thankyou very much.

New Reception Intake

Most of the families who have been offered placed at The Orchard for next academic year have now accepted these. There is a small number who have not and some of these are parents with siblings already at The Orchard. Please remember to accept your place by 30/4/2020 or Surrey admissions will offer places to children on the waitlist.
